Diya Ceremony 2018

That time of year is here again, when we meet to say farewell. With dreams in your eyes and hope in your hearts, you stand at a crossroad ... an exciting new world beckons you. There are infinite choices, innumerable options and difficult decisions ahead. We at the Vidyalaya have faith in you ... we know that whichever path you tread, you will be true to yourself. To light up your path and to kindle in your heart a passion for life, comes the diya that you will formally receive. At the Diya Ceremony, as you light your little earthenware lamps from the gleaming traditional Vidyalaya diya, you take away a little and leave a bit of you behind.

We, the Principal and staff of the Vidyalaya, the members of the PTA and the Gujarat Education Society, formally invite you, along with your parents for the Diya Ceremony for the batch of 2017-18 on Saturday, February 17th, 2018 at 5pm.
