2019

SPV is defined not only by its students and values but also by its evergreen traditions. It is not just a school but a family. One of the occasions on which this extended family comes together is the eagerly awaited food festival. Stalls filled with delicious food, brightly coloured posters and creative culinary trends beat the sun as we embark on this mouth-watering journey. Coins rattling in the pocket, the melange of aromas and parents calling out excitedly, gives us the strength to fill our stomachs with an unimaginable amount of savouries. It is a celebration of exploration and experimentation; it's an event to relish food from various corners of the nation. Delicacies served in a handcrafted basket, laced with love and hemmed with hospitality is the very essence of the event.

We are delighted to have received such an overwhelming response from our parents. We would like to thank the parents who attended the meeting held on 28th March, 2019 at the Vidyalaya. During the course of the meeting, parents formed groups according to their preferred food items and finalized various details such as the pricing, quantities to be prepared by each parent, requirements for the setting up of stalls etc. Each group also chose a group leader. The final list of food items along with the name and phone number of the group leaders is as follows:

Parents who have not decided on any food item as of now may consider the items marked with +. To join a group please contact the concerned group leader.

The food festival will be held on the **27th of April 2019 (Saturday)**. Parents are requested to kindly reach the Vidyalaya **by 8:00 am** to set up their stalls. The main gate as well as the junior school gate will be open for your convenience.

Please note that the food festival is only held for the students of classes 2-12. Parents are requested not to bring friends/relatives/younger wards to this learning experience as the school can only cater to a limited number of students, teachers and parents. The Vidyalaya will be providing student volunteers for the setting up and decoration of the stalls.

The Vidyalaya is, as always, making every effort to make the event as eco-friendly as possible. We request the parents to use biodegradable materials. Decorative items such as banners and posters should not include non-biodegradable elements.

Students are encouraged to bring their own lunchboxes and bottles. Parents are, therefore, requested to serve food in the containers provided by the children.

The order in which classes shall visit is as follows:

Attendees	Timings
Junior School	10:30 am - 11:30 am
Middle School	11:30 am - 12:30 pm
Senior School	12:30 pm - 1:30 pm
Alumni	1:00 pm - 2:00 pm

*Parents are requested not to serve the food items to the students before their turn and to also not purchase food yourself before 1:30 pm.

* Parents are requested to designate a certain amount of food for each wing (namely, junior, middle, senior and alumni) and serve them accordingly, so that all wings can be catered to.

THE SCHOOL SHALL PROVIDE THE FOLLOWING (as specified in the Performa):

- Tables (size of about 5ft. by 3ft. and poles for setting up stalls)
- Ecoware vessels (as specified in the Performa)
- Common refrigerator
- At most two power points (for 2 electrical appliances only)
- Tubs of ice (external cooling purposes only)
- Student volunteers for assistance

In case of any query please contact Jayshree Ma'am (9810558252), Vidhu Ma'am (9313507871), Muskaan jain (9650345545) or Garvit Chhabra (9599555123)

Please fill out the confirmation form and send it back with your ward. This will be stamped and returned to you and will act as your entry pass on the day of the Food Festival.
