## CIRCULAR

### **SUB: Change in Morning reporting time by students at the Vidyalaya from 07:50 A.M. To 07:40 A.M.**

Dear Parents

Please take note that CBSE has issued a stipulation and made it mandatory for all Schools to have one sports & physical education period for all classes every day.

In order to adhere to the same, the Vidyalaya has had to rework the arrangement of periods. As a result the School timing in the morning from Monday, 08th July,2019 is preponed to 07:40 A.M. in place of 07:50 A.M.

The School buses will accordingly ply 15 minutes early.

**Therefore, all Children are instructed to REPORT at the Vidyalaya latest by 07:40 A.M from 08<sup>th</sup> July, 2019 onwards.**

Students travelling by School Buses are required to reach their respective Bus Stops 15 minutes before the present scheduled time so that the buses can report at the Vidyalaya latest at 07:40 A.M.

Please note that there is no change in the afternoon timings.

Thanking You,

For Sardar Patel Vidyalaya
